## A world of wonders, Cape Town to Victoria Falls

From a cable car ride up Table Mountain and Cape Point to a history tour of the city, tiny penguins in a boulder-laced park, and a wine pairing dinner in Constantia, your time in Cape Town is a cultural feast. In terms of wildlife, Kruger National Park is one of the world's best, with a diversity and density of iconic wildlife that is unparalleled anywhere. Spend two nights in the park, with two nights in private Sabi Sabi Reserve, enjoying private game drives and luxury lodges reminiscent of elegant safaris of days gone by.

The gems of Johannesburg are yours to discover from your accommodations in a boutique hotel in the heart of the city, including educational insights about the history of Apartheid and Nelson Mandela's former home. Victoria Falls thunders into view on a privately guided walking tour and a David Livingstone-inspired private sundowner cruise on the Zambezi River, along with high tea. Visits to an elephant sanctuary and wildlife clinic dedicated to the conservation and protection of wildlife enhance your understanding of the animals you'll come to know and see on this inspiring journey.
